

Thursday, May 7, 2020

Hello,

Please note effective immediately we are implementing a mandatory face mask policy that will require all truck drivers that exit their cab to wear a face mask while inside any of our facilities. This policy is being put in place for additional risk mitigation and to ensure the safety of our employees and visitors.

Due to supply challenges, we are unable to supply truck drivers with a mask when they arrive and therefore ask that all truck drivers supply their own.

This policy is in effect until further notice.

Thank you,

The Milk Specialties Global Pandemic Team and Randy Klein, Transportation Director
